**"I HAD A GREAT EXPERIENCE WORKING WITH REVOL EVENTS ON A LARGE-SCALE BBQ EVENT (3000 PEOPLE). THEY ARE EXTREMELY EASY TO WORK WITH AND WE LOVED THEIR FOOD OFFERINGS. I'VE WORKED WITH OTHER CATERERS THAT COMPLICATED THE SIMPLEST THINGS, AND REVOL WAS A BREATH OF FRESH AIR WHEN IT COMES TO PLANNING AND EXECUTING."**

# SUSTAINABILITY

## YOUR EVENT IS ZERO WASTE

When you host a BBQ with us, you're choosing more than just delicious eats, you're choosing a **zero-waste event**. Hosting an event means bringing people together and celebrating with great food, but events can also leave a footprint on the environment. A zero-waste event is designed to reduce the production of waste and limit the use of raw materials through reducing waste at the source, reusing, recycling and composting.

Our plates and napkins are **biodegradable**, our cutlery is fully **compostable** and meets **ASTM D6868 compliance**, and every detail is designed with sustainability in mind. Because there is no Planet B.

From the way we source our ingredients to the way we serve guests, we're committed to reducing waste and making sure your BBQ experience is both incredible and sustainable.

**Enjoy the BBQ and feel good.**

# FAQ

## Answers to your most frequently asked questions about our BBQ catering services:

### When should I book my BBQ event?

We recommend booking at least 4 to 6 weeks in advance, especially during peak summer months. Large events (500+ guests) should be booked as early as possible to secure availability. Since summer fills up quickly, it's best to lock in your date early – you can always finalize the menu details closer to the event.

### Can I customize my BBQ package?

Absolutely! Our menus are fully customizable, allowing you to mix and match menu items. We also offer a variety of add-ons and platters to match your vision and budget. Speak with your dedicated catering specialist for recommendations on creating a tailored BBQ experience.

### Are rentals or staffing included?

Buffet service staff and an on-site event coordinator are included. Additional rentals or staffing may be required for special requests (e.g. midway rides). Your catering specialist will provide a detailed estimate covering food, rentals, staffing, service fees and delivery based on your event needs.

### Are disposables included?

Yes! Every Revol BBQ event includes eco-friendly disposable dinnerware: plates, napkins and cutlery kits.

### What is your delivery fee?

Our standard delivery fee is \$75 for BBQ events in the Toronto core. Fees vary based on location and order size.

### Do you cater outside of Toronto? Are there extra fees for travel?

Yes! We cater to locations outside the Greater Toronto Area (GTA). Travel fees apply for events beyond our standard service area and a staffing minimum (6 hours, including travel time) may be required. We can provide a detailed breakdown based on your event logistics.

### Are there any service fees or gratuities?

We do not charge a service fee. Gratuity is optional. If you'd like to tip for the staff, contact your coordinator to arrange it. You may also add gratuity to your bill in advance if preferred.

### Do you accommodate dietary restrictions?

Yes! We offer vegan, vegetarian, gluten-free and dairy-free options. All our chicken items are Halal-certified. Halal beef burgers and gluten-free buns are available upon request. Allergies can be accommodated with advance notice, but we cannot guarantee against cross-contamination. Let us know in advance and we'll customize the menu accordingly.

### What happens if it calls for rain on the day of my BBQ?

BBQ events are rain or shine. We can provide tenting for light rain. In the case of severe weather, we'll work with you to reschedule or adjust logistics – as long as discussions begin at least 72 hours in advance.

### How late can I make changes to an existing order?

Food changes must be made at least 72 hours before your event. We'll do our best to accommodate last-minute changes but we can't guarantee availability.

### Can you cater an indoor BBQ event?

Yes! If you don't have access to an outdoor location, no problem. We can prepare everything at our facility and set up an indoor buffet. Contact us to discuss your options.

### Does the BBQ have to be done on-site?

Not at all. While we love grilling fresh on-site, we can also prepare everything at our facility and deliver it hot and ready to serve in chafing dishes at your location.

### What forms of payment do you accept?

We accept all major credit cards, company cheques, and EFT payments. Contact us for details on payment terms.
